

Portrait session £95 with 1 7x5 print

This is great if you're looking for versatility and want to choose products to suit your requirements and budget.

Your photo session will be held at a location of your choice - somewhere that you love to go and spend time, or can be at your home in familiar surroundings. The session fee includes:

- A consultation via phone or skype
- A 'what to expect' guide PDF
- 2 hour photo session in your favourite location - (includes mileage within 30 miles of Witham, Essex)
- Editing
- A personal viewing session at my gallery to help you select the right images and products for you.

I also offer packages that give a selection of products so you can choose the perfect collection for yourself - and to give as gifts. These give a saving compared to purchasing each product separately

Packages - All packages include the session fee.
